# ZR VSD+ Benefits Pyramid

A 60 second guide to meet a game changing compressor

The new **ZR90-160 VSD+** compressors are the most innovative 120-200 HP oil-free air compressors of the last decade. We're so confident in what they can do, we have launched an unprecedented introductory offer. We are prepared to guarantee savings of \$10,000 in year one alone!

To download a full specification sheet and to learn more about the introductory offer, please visit [www.atlascopco.com/10kchallenge](http://www.atlascopco.com/10kchallenge)
